PRODUCT BROCHURE 2024

Specialist Manufacturer of:-

Maintenance Chemicals, Vehicle Cleaners, Wet Wipes, Janitorial & Hygiene Products for Engineering, Welding, Plant Hire, Hose & Hydraulics, Oil Distribution & Transport Fleet Operatives. Our Own Chemical Formulations

Vehicle Cleaning & Maintenance Products

- 0006626 VEHICLE SHAMPOO WASH & WAX**
A powerful high foaming vehicle wash designed to deep clean the vehicle surface leaving an unequalled shine. With a neutral Ph it will not mark glass or vehicle fittings. Manual or pressure washer use.
- 0006350 TRAFFIC FILM REMOVER 350 PREMIUM CONCENTRATE**
Our top selling product year on year. TFR 350 still retains a dilution rate of 350-1 and is very effective for the rapid removal of soiling, grease And general traffic film. Can be used through hot or cold pressure washer systems.
- 0006995 TRUCK & BUSWASH CONCENTRATE 150**
Manufactured as an economy version of the above with a retained dilution rate of up to 150-1 Maintains fast water repelling action and deep impending shire on finish. Ideal product for trade counter sales.
- 0006733 TRUCK WASH WITH ADDED BACTERICIDE 150**
A high foaming bactericidal cleaner for power wash use. Designed to foam and cling to vertical surfaces prolonging contact time in use. Ideal for use on refrigerated vehicles dairy farm walls, floors etc.
- 0006351 TRAFFIC FILM REMOVER 350 PREMIUM CONCENTRATE PLUS WAX**
Identical cleaning performance as 0006350. Manufactured yellow with additional carnauba wax for instant shine.
- 0006991 TFR V5 CAUSTIC FREE VEHICLE CLEANER 350 CONCENTRATE**
Designed as a more concentrated version of the above.
- 0001686 TAR & ADHESIVE REMOVER**
Designed to remove tar spots and splashes from vehicle exteriors. Works by dissolving stubborn tar spots for fast clean results every time.
- 0006080 SCREENWASH & DE ICER ADDITIVE**
Based on alcohol and wetting agents, screen wash is applied directly to the washer bottle of vehicle. Excellent for removing grease and general grime.
- 0006288 WATER SOLUBLE ENGINE AND PARTS DEGREASER**
An ideal product for cleaning and degreasing vehicle engines, machines etc. Simply apply by brush or spray agitate stubborn deposits and rinse away with clean water.
- 0006293 TRACTOR & LAWN MOWER CLEANER CONCENTRATE**
An ideal product for fast cleaning and degreasing tractors and lawn mowers. Removes oil, grease, grass stains and general soiling from a range of surfaces Including wheels, bodies, casings, and mower boxes. Dilutes up to 150-1
- 0006640 EXTERIOR TRIM SHINE & RENOVATOR**
Designed to enhance & restore all exterior plastic, rubber and vinyl surfaces. Fast drying with reduced gloss finish for that new, just cleaned finish.
- 0007301 SNOWFOAM VEHICLE WASH CONCENTRATE**
The ultimate product for vehicle cleaning. Non caustic heavy duty detergent. Apply with high power foam lance to create all over foam vehicle cleaning.
- 0006296 LONG LIFE TYRE DRESSING & RENOVATOR**
Applied by brush or sponge to give that instant showroom appearance. Non flammable, non solvent product. Long lasting. Mid shine finish.
- 0006671 DASHBOARD RENOVATOR**
Removes scuff marks and general soiling from vehicle trim. mid shine finish.
- 0007310 PRE WASH EXTERIOR VEHICLE CLEANER**
Concentrated degreaser for pre washing all vehicles. Simply spray onto exterior of vehicle and leave for 5 minutes. Rinse off and then wash vehicle as normal.

Extensive Traffic Film Remover Range Manufactured From Our Own Formulations

Available In All Sizes

5litre, 25litre, 210litre & 1000litre Units

TFR Plus Carnauba Wax Best Selling Product 2022

Vehicle Cleaning & Maintenance Products

- 0006000 GENERAL SCREENWASH ADDITIVE**
Based on wetting agents & IPA. For the rapid clearing of windscreens through the summer months. Removes flies and general road grime.
- 0006360 TFR CONCENTRATE SUPERFOAM**
An economy vehicle cleaning liquid for manual or power washing. Contains high foaming detergents to cling to vertical surfaces and remove grime. Will dilute up to 300-1
- 0006672 EXTERIOR TRIM RENOVATING LIQUID**
Easy to apply restoring liquid for car & commercial vehicle exterior trim. Ensures A long last shine creating that just cleaned appearance.
- 0006370 ALLOY WHEEL CLEANER (NON ACID)**
Manufactured from fast cleaning detergents as opposed to phosphoric acid. Simply dilute, spray onto alloy wheel, agitate and rinse. Removes carbon deposits with ease.
- 0006222 CARAVAN & MOTORHOME EXTERIOR CLEANER**
A neutral high foaming detergent wash with algaecide additive. Cleans and shines in one application removing green algae with ease. For manual or power wash cleaning application.
- 0006005 BIKEWASH CLEANER DEGREASER**
An excellent deep cleaner liquid for cleaning and degreasing bikes. Safe on chrome, plastics, alloys, paintwork. Ideal for manual or power wash application.

Industrial Cleaning & Welding Liquid

- 0001686 TAR & ADHESIVE REMOVER**
This product was manufactured for breaking down tar & bitumen from tools, machinery and masonry surfaces. Also ideal in use where dried glue presents a problem. Used for removing tar spots & splashes from vehicles. Re wax area of vehicle cleaned after use.
- 0001190 PATIO RENOVATOR & CLEANER**
An acid based product for the deep cleaning of all paving stones and concrete by penetrating the surface. Care should be taken near garden plants and lawns.
- 0001200 WELDING ANTI SPATTER LIQUID**
non-toxic non-flammable non-solvent water based product for spatter protection in welding. Simple and safe to use. For maximum economy the product is decanted from larger size containers via tap system. The product contains no silicone or dichloromethane within the formulation. Manufactured in 1L Trigger Sprays 5L 25L 210L & 1000L IBC Containers. Neutral Classification.
- 0001507 ODOUR CONTROL PEARDROPS REODOURISER**
A non toxic re-odouriser for areas affected by unpleasant odours. Ideal for animal by product plants, refuse skips, waste bins etc.
- 0001851 CITRUS DRAIN CLEANER DEGREASER**
Applied directly to the drain as treatment programme to dissolve build up of fat and general waste. Ideally treat at end of the day when no water is being flushed and leave to stand overnight.
- 0001600 ICE & SNOW MELT GRANULES**
A granule that actually heats up and dissolves on contact with snow and ice. Non corrosive and nothing to sweep up afterwards. Packed in 4K 12K & reseal containers. Now also available in 25K bags.

Industrial Hand Cleaner Gels & Liquids

- 0009570** **ABREX HEAVY DUTY GREEN GEL HAND CLEANSER**
 A powerful industrial hand cleanser product produced with a blend of low aromatic hydrocarbon solvents. Ideal for heavy industrial hand cleaning applications.
- 0009445** **ABREX HEAVY DUTY HAND CLEANER PASTE WITH PUMICE**
 A specially selected blend of natural citrus terpene and abrasive pumice compound. Abrex paste has been manufactured to a grade paste consistency for the extreme industrial environment. Contains additional detergents to provide rapid removal of grease and oil.
- 0009786** **ABREX CITRUS FRESH HAND CLEANER GEL**
 Following the withdrawal of poly beads from hand cleansers we have now produced an alternative with the inclusion of crushed olive stone natural abrasion. Gel consistency with citrus terpene for Industrial hand cleaning application. For the rapid removal of oil & grease! Manufactured in a 5L poly Container with pump dispenser.
- 0009414** **AMBER GOLD INDUSTRIAL LIQUID HAND SOAP**
 Smooth liquid consistency with the power to breakdown oil, grease & fats with ease. Solvent free formulation and recommended for use in everyday Industrial working environment.

Liquid Soaps, Sanitiser & Alcohol Gels

- 0009685 DELUXE PINK PEARLISED LUXURY HAND SOAP**
An excellent pearlised soap used from executive to general washroom area. Formulated as a mild neutral high foaming product with a hint of floral fragrance. Manufactured as a biostat product and will not form bacteria growth when exposed to changes of temperature.
- 0009347 SANITISING LIQUID HAND SOAP NUT OIL FREE FORMULA**
A moderately viscous green hand soap with bactericide. A new product to the range. Contains no nut oil derivatives. Recommended for use in the catering and food processing industry. Hi foaming and mild on the skin.
- 0009686 WHITE ANTIBAC PEARLISED NON PERFUMED HAND SOAP**
A soft white hand soap with bactericide. Although unperfumed highly recommended for food environment washrooms and shower areas. Used on a regular basis helps reduce the risk of cross contamination between work stations and environments. Available 1L cartridge or bulk fill 5L.
- 0009414 AMBER INDUSTRIAL LIQUID HAND SOAP SOLVENT FREE**
A golden citrus viscous hand soap for use in the industrial and workshop environment. Soft yet powerful in use rapidly removing oil and grease from the hands.
- 0009006 ALCOHOL HAND SANITISER GEL**
Produced as a 70% Isopropanol gel sanitiser to help assist with destroying available bacteria on the hands. Due to the alcohol content this product will dry rapidly. Ideal for use in the food industry, medical centres surgeries etc.
- 0009688 PEACH ALL OVER HAIR AND BODY SOAP**
New peach fragranced shower soap. Mild in use and gentle on the skin. Produced as a biostat and will not form bacteria growth when exposed to changes of room temperature.
- 0009777 CITRUS LEMON LIQUID HAND CLEANSER**
Produced as a solvent free product for breaking down grease and oil from hands. A soft pump able gel consistency with powerful cleaning properties. Manufactured in a 5Litre poly container and may be dispensed with a pelican pump.
- 0008845 GENERAL OFFICE HAND CLEANER WIPES**
A light and fresh Hand Wet Wipe for cleaning hands in the general office environment. Pleasantly fragranced and bactericidal.
- 0009009 HAND CLEANER ANTI VIRAL FOAM PERFUMED EN14476 EN1500**
Designed as a liquid solution. Once dispensed through a wall mounted foam system the liquid is transformed into a rich lather foam for general hand cleaning application. Ideal for executive washroom areas.
- 0009007 NON ALCOHOL HAND SANITISER EN14476 EN1500**
Manufactured as a sanitiser liquid excluding alcohol. Designed as a greener alternative to conventional alcohol based products.

Hand & Surface Wet Wipe Products

- 0008812 CITRUS HEAVY DUTY CITRUS HAND WIPES EN1276**
Based on natural orange terpene, H D wipes remove grease, oil and grime from hands fast and effectively. No rinsing required Ideal for the trade professional with no access to water. 150 & 200 Wipe units.
- 0008293 FOOD AREA HARD SURFACE SANITISING WIPES EN14476**
This product has been designed to provide a wide spectrum biocide, which is ideal for the safe control of yeast, bacteria and fungi. Clinically tested on mixed cultures. 150 & 200 Wipe Units. Ideal for kitchen area use.
- 0008622 ANTI BACTERIAL ANTI VIRAL WIPES H1N1 INFLUENZA EN14476**
Designed for hand and surface use. Effective for HIV, Influenza, Avian Influenza, MRSA, Hepatitis B & C, Tuberculosis, Newcastle Disease, Canine Parvovirus & Clostridium Difficile (C Diff). 150 & 200 Wipe Units.
- 0008127 FOOD AREA HAND SANITISER WIPES EN14476**
Clinically tested under the same protocols as our above surface wipes. Ideal for sanitising the hands in food environment areas. 150 & 200 Wipe units.
- 0008618 GRAFITTI / INK REMOVER SURFACE WIPES**
Produced to our safest formulation possible this product started life as a bulk liquid and has now transferred to a wipe format. Excellent results are achieved when removing paint, printing ink, tar, oil etc. 150 & 200 Wipe units.
- 0008900 ALCOHOL WIPES 70% ISOPROPANOL**
Manufactured for the fast evaporation process. Helps destroy available bacteria on hands fast & effectively. 150 & 200 Wipe units.
- 0008901 NON ALCOHOL HAND SANITISER WIPES EN1500 EN14476**
Eco friendly wipes ideal for food area use. Designed as a green alternative to alcohol based products. 150 & 200 Wipe units.
- 0008623 ANTI VIRAL WIPES EN14476 TESTED 99.99% EFFECTIVE COVID-19**
SARS-COV-2 Eradicates 99.99% of viruses and bacteria.
- 0008849 INDUSTRIAL SCRUB HEAVY DUTY HAND CLEANER WIPES**
One side abrasive orange wipes for deep cleaning hands in the industrial environment. 70 Wipe unit.

Toilet & General Washroom Products

- 0004460 THICKENED BLUE PHOSPHORIC ACID TOILET CLEANER**
A phosphoric based product. Specifically designed to cling to vertical surfaces and prolong contact time in use. Will deep clean and freshen toilets emitting a mild dewberry fragrance. Stainless steel safe. Swan neck 1L
- 0004461 THICKENED LEMON PHOSPHORIC ACID TOILET CLEANER**
Manufactured to the same specification as above incorporating a mild lemon fragrance and yellow in colour. Swan Neck 1L
- 0004845 GREEN LIQUID TOILET CLEANER HYDROCHLORIC**
A powerful hydrochloric acid based liquid product for cleaning and descaling. Ideal for use on plastic and ceramic sanitary wear and equipment. Not for use on stainless steel.
- 0004256 HEAVY DUTY TOILET DESCALING ACID**
For the rapid removal of lime scale & general soiling from toilets. Not recommended for stainless steel fittings & fixtures.
- 0007145 WASHROOM MAINTAINER WITH SANITISER ACTION**
Perfumed general washroom detergent cleaner with biocide for cleaning of plastic and ceramic fittings, wash basins, toilet ware, sinks etc.
- 0007321 AIR FRESHENER LIQUID FLORAL FRESH APLINE**
A strong lingering fragranced product available in 1L and 5 L refill pack sizes.
- 0002832 BACTERICIDAL PERFUMED SURFACE CLEANER**
A concentrated floor cleaner product with added biocide. For use in toilet areas as a maintainer product. Contains a pleasant floral fragrance.
- 0001507 PEARDROPS REODOURISER**
A non toxic re-odourant for areas affected by mal odours. Highly effective for refuse bins and sites, skips, drains, sewage & poultry farms etc.
- 0007060 MIRROR & GLASS CLEANER**
An outstanding product for cleaning windows and glass surfaces. Special ingredients present provide a non smear finish and resists surface misting at temperature change.
- 0002990 NEUTRAL DETERGENT CLEANER**
A high quality neutral detergent for washroom and tiled surface areas. This product contains bactericidal properties to help destroy surface bacteria.
- 0008986 TOILET SEAT BACTERICIDAL WIPES**
Choose from 80 150 or 200 sheet units. Non fragrant bactericidal wipe for cleaning and sanitizing toilet seats, handles etc.
- 0004000 STAINLESS STEEL URINAL CLEANER DESCALE**
Heavy duty phosphoric acid base de scale for removing uric acid and lime scale from stainless steel urinals. Fragranced product.
- 0004007 URINAL MAINTENANCE LIQUID TREATMENT**
Especially designed as a universal maintenance product for keeping urinals free from lime scale build up, stains and odours. Contains de scaling degreasing and odour control properties.

Bleach Disinfectant & Washing Up Liquids

- 0005797 POWER BLEACH LIQUID**
A standard economy bleach liquid for general cleaning.
- 0005764 THICKEND CLING BLEACH**
A strengthened product used where prolonged contact time is required.
- 0005834 WASHING UP LIQUID DETERGENT 10%**
A standard 10% high foaming solution for general hand dishwashing application. Odourless.
- 0005845 WASHING UP LIQUID DETERGENT 15%**
A 15% viscous high foaming product for general hand dishwashing application. Odourless.
- 0005891 WASHING UP LIQUID DETERGENT 20% CONCENTRATED**
High quality 20% viscous detergent.
- 0005869 BACTERICIDAL WASHING UP LIQUID 20%**
A green general purpose detergent with a tasteless and odourless bactericide for combined use as a sterilizer in dishwashing.
- 0005596 GREEN PINE DISINFECTANT QAP30**
A strong green pine disinfectant for general cleaning. Ideal for use where cost in use is of utmost importance.
- 0005541 RED ALPINE DISINFECTANT**
Manufactured as an amber industrial strength disinfectant. For specific use around drains and refuse areas.
- 0005575 LEMON DISINFECTANT QAP30**
A quality disinfectant containing higher levels of fragrance combined with bactericide to produce better results when disinfecting & re odourising.
- 0005531 DISINFECTANT SANITISER QAP100**
A professional quality bactericide / cleaner disinfectant. Manufactured as a concentrated viscous liquid product.
- 0005538 BLUEBERRY DISINFECTANT QAP30**
A pleasantly fragrant blue general disinfectant for refuse bins, drains etc

Paper Products

- 0005006 2 PLY BLUE CENTRE FEED ROLLS 6 X ROLL PACK**
150 Metre X 180mm
- 0003341 X36 PACK 200 SHEET TOILET ROLLS**
2 Ply White

Floor Care & Maintenance Chemicals

- 0002476 PINE FLOOR CLEANER LIQUID**
A new product fast replacing the old pine gel formulation. Produced in a powerful liquid format with added QAC.
- 0002500 LEMON FLOOR CLEANER LIQUID**
As above with strong citrus lemon fragrance.
- 0007546 ASPHALT & CONCRETE CLEANER**
A new non solvent non citrus base product designed for the fast and effective removal of grease and oil from driveways, car parks etc.
- 0002832 BIOCIDAL FLOOR CLEANER PERFUMED**
A specially selected ultra-low toxicity & perfumed solution with added biocide for cleaning floors where a powerful sanitising action is required.
- 0002165 LOW FOAM FLOOR CLEANER DEGREASER FOR MACHINES**
A highly effective product for cleaning and degreasing concrete floors. Used generally as an additive for floor scrubbing machines.
- 0002991 CARPET EXTRACTION SHAMPOO LOW FOAM**
Produced as an additive for mechanical carpet cleaning machines. Blended low foam detergents produce excellent results when cleaning carpets.
- 0002225 HIGH GLOSS NON SLIP FLOOR POLISH 15%**
A metallised floor polish with anti slip properties. Creates hi shine finish when dry.
- 0002396 BUFF & SHINE EMULSION FLOOR MAINTAINER**
Manufactured as a maintainer for polished floor surfaces. Use as a top up shine treatment product on a regular basis.
- 0002640 SWIMMING POOL SHOWER & TILE SURROUND CLEANER**
Excellent for cleaning body fat and stains from shower floors and tile surrounds.
- 0002441 HEAVY DUTY CONCRETE FLOOR CLEANER**
A non flammable heavy duty concrete floor cleaner product with oil and grease dispersal properties. Ideal for use on general forecourts, factory and garage floors.
- 0001190 PATIO & STONE CLEANER**
Patio slab and concrete cleaner. Acid based to penetrate and deep clean the surface in one. Care should be taken when using close to lawns and garden plants. NOT FOR USE ON NATURAL STONE
- 0007225 STRIKE FLOOR CLEANER DEGREASER CONCENTRATE**
Designed for cleaning & degreasing of concrete porous floors. Heavy duty concentrated product with oil dispersing properties.

Kitchen Cleaning & Maintenance Products

- 0003405** **MACHINE DISHWASH LIQUID DETERGENT**
A general purpose hard & soft water dishwasher liquid. A high quality odour less combination product used in conjunction with auto rinse aid for streak free dishwashing.
- 0003998** **MACHINE RINSE AID LIQUID ADDITIVE**
Formulated as a rapid drying additive for final rinse application in automated dishwashing appliances. Excellent results are achieved when used with cabinet glass wash and machine dish wash liquid.
- 0003600** **MACHINE CABINET GLASSWASH LIQUID**
Specifically manufactured for use through enclosed cabinet glass wash machines. The low foaming formulation cleans glasses without clouding or staining. For best results use in conjunction with auto machine rinse aid.
- 0003744** **HAND GLASSWASH LIQUID DETERGENT**
A water soluble low odour product formulated for hand glass washing & sterilising in one application.
- 0003516** **BEERLINE AND PUMP CLEANER**
A clear liquid for cleaning and sterilising lines, pumps and tanks. Effective in both hard and soft water areas.
- 0003669** **LOW FOAM GENERAL PURPOSE CATERING DESCALER**
A low foaming phosphoric acid version de scale. Especially used for descaling catering equipment, dishwashers, boilers, kettles, urns etc. Stainless Steel safe liquid.
- 0003227** **OVEN CLEANER SEMI THIXOTROPIC GEL**
Manufactured to remove stubborn burnt on carbon deposits within the oven area. A semi gel consistency that clings to vertical surfaces. May also be used for cleaning accessories grills, griddles and fryers.
- 0003842** **FOOD SAFE SURFACE SANITISER CLEANER**
A very effective biocide product. Being a low toxicity cleaner makes it ideal for use in the catering environment. No perfumes present. Effective for both gram positive & gram negative micro-organisms. For food contact and food storage areas. Fridges, freezers, microwaves, preparation surfaces etc.
- 0007996** **KITCHEN DEGREASER CLEANER BIOCIDAL HEAVY DUTY**
Manufactured for its grease cutting capability. A powerful heavy duty concentrated formula for general purpose cleaning with biocidal properties. Ideal for use within the catering environment. A powerful concentrate for cleaning walls, floors, tiles, table tops etc.
- 0003408** **MACHINE MISTING SANITISER FLUID**
Designed for use through metered fogging machines for room sanitising in food contact & storage areas.

Bio Multi Surface Cleaners & Concentrate

- 00086231 ANTI VIRAL SURFACE SPRAY 99.99% EFFECTIVE COVID-19 14476**
Anti viral surface sanitiser spray. UKAS laboratory tested and eradicates 99.99% of viruses and bacteria from hard surfaces. Effective against all enveloped viruses as defined in EN14476:2013+A2:2019 Annex A* SARS-2 to include all Coronaviruses. Certificates available.
- 0007225 MULTI SURFACE CLEANER DEGREASER CONCENTRATE**
A multi use surface cleaner for mopping, scrubbing and power washing application. The product will maximise oil suspension due to being a high alkaline & citrus product. Ideal for rapid grease & grime removal from factory floors, walls, paintwork etc
- 0000797 GENERAL PURPOSE CLEANER**
An extremely versatile cleaner for use on almost all hard surfaces. Walls, floors, paintwork etc. Used as a general maintainer.
- 0000978 BIOCIDAL MULTI SURFACE CLEANER NON PERFUMED**
A very effective biocidal product. Being a low toxicity cleaner makes it ideal for use in the catering environment. No perfumes present. Effective for both gram positive & gram negative bacteria.
- 0000631 CITRUS DEGREASER CLEANER**
Optimises the power of citrus oil together with blended detergents to produce an extremely effective cleaner. Will dissolve grease and oil and provides a replacement for solvent and caustic based products.
- 0000222 BACTERICIDAL WASHROOM MAINTAINER**
Highly fragranced general washroom detergent cleaner. For cleaning plastic & ceramic fittings, wash basins, tiles etc. Cleans to a high shine streak free finish.
- 0000384 TILE & POOL SURROUND CLEANER**
A mild acid blended product for the fast and effective removal of body fats and discolouration from tiled areas.
- 0000516 GRAFFITI REMOVER SURFACE CLEANER**
Designed to remove paints and inks from a range of stone and metal surfaces. Reduces paint to a liquid state then wipe off.
- 0000464 BIOCIDAL KITCHEN DEGREASER NON PERFUMED**
An excellent product when degreasing ingrained fats from floors, walls etc within the catering environment. Manufactured for its grease cutting properties and is effective for both gram positive & gram negative bacteria.
- 0002832 BIOCIDAL MULTI SURFACE CLEANER PERFUMED**
A perfumed version of 0978 for non food contact areas.
- 0001988 ALGAECIDE SURFACE TREATMENT**
An excellent maintainer product for removing algae from porous concrete surfaces. Patios, brickwork etc. No scrubbing required. will start to work straight away. Treat surfaces when dry once a year in March, April or May.
- 0000400 MULTI PURPOSE CLEANER**
Specially designed for multi surface cleaning, Walls, Floors, Paintwork, Formica table tops etc.
- 0002990 NEUTRAL DETERGENT CLEANER BACTERICIDAL**
Specialist Cleaner For floors and tiled areas.

Trigger Spray Units & Refill Packs

- 0007060 WINDOW & GLASS CLEANER SPRAY**
An outstanding product for cleaning windows and glass surfaces. Special ingredients present ensure a non smear finish and resists surface misting at temperature change.
- 0007321 AIR FRESHENER SPRAY**
A fine misted product available in trigger sprays with a range of different fragrances. 1L Trigger Spray
- 0007463 TELEPHONE SANITISER SPRAY**
Manufactured with QAC for cleaning and sanitising telephones and handsets. Mildly perfumed. 1L Trigger Spray.
- 0007145 WASHROOM MAINTAINER & CLEANER**
A biocidal neutral cleaner with perfume for general cleaning of basins, taps, baths, tiles and paintwork. 1L Flip Top.
- 0007556 UPVC CLEANER SPRAY**
For the fast and effective removal of stains, pencil marks and general grime etc 1L Trigger Spray.
- 0006919 ALLOY WHEEL CLEANER DEGREASER SPRAY**
Phosphoric acid based cleaner. Removes carbon deposits and general soiling from wheels fast and effectively. 1L Trigger Spray.
- 0001200 WELDING ANTI SPATTER LIQUID SPRAY**
No toxic non flammable anti spatter for all welding applications. Produced as a silicone & Dichloromethane free product. 1L Trigger Spray.
- 0000516 GRAFFITI REMOVER SPRAY**
Designed to remove paints & inks from a range of stone and metal surfaces. Will reduce and breakdown paint surface for easy removal.
- 0003842 BIOCIDAL FOOD AREA SURFACE SPRAY**
Non fragrant multi-surface cleaner for catering. Effective to both gram positive & gram negative bacteria. Ideal for food contact surfaces. 1L Trigger Spray.
- 0007225 MULTI-SURFACE CLEANER SPRAY**
General hard surface cleaner spray. Ideal for painted walls, doors, floors, skirting, tiles etc. 1L Trigger Spray.

Heavy Duty Degreaser & De scale

- 0007165 SOLVENT DEGREASER CLEANER**
An emulsifiable liquid kerosene product designed for rapid cleaning and degreasing of engines, chassis, machinery, machine parts, tanks etc.
- 0007600 PHOSPHORIC ACID DESCALER DEGREASER**
Ideal for use in metal cleaning and degreasing of ironwork, panels, aluminium frames and structures, stainless steel fixtures / fittings.
- 0007861 H.D CITRUS DEGREASER CLEANER**
Based on orange terpene, the safe alternative to solvents acids and caustics for heavy duty cleaning and degreasing of concrete floors, walls.
Not for use on tarmac surfaces.
- 0000400 SURFACE CLEANER DEGREASER CONCENTRATE**
A multi use surface cleaner and degreaser for surface oil removal. Application by mopping, scrubbing, or power washing. Maximises oil suspension.
